

# *The Ultimate Flowerbox*

*for the Garden Artist*

# Welcome to Flower Framers by Jay!

This is an exciting new idea in plantscaping especially created for today's living environments.

**Container unit includes:** a Drainage System, 1"x8" geotextile flow strip, fits along box's entire length. Pulls water down and drains to holes in endcap. Prevents overwatering and also provides air and heat relief to root system.

## The Joy of Window Boxes

**Flower Framer**  
Window boxes are an ideal way to garden. They are easy to install, simple to plant, and fun to care for. They do not require endless hours of digging, bending, and weeding to maintain. Best of all, our window boxes make flowers and greenery a part of your home for a lifetime, growing in a place where you will see the plant often and derive continuous enjoyment from them.

For the Ultimate window box experience, eliminate the daily watering routine with the self-watering timers.

**No Paint.  
No Rot.  
No Problem.**

**Features include:**

- Maintenance-free fiberglass construction
- Full 9" root depth, 8.5" width
- 2-14ft. lengths; custom available
- Foolproof drainage
- Paintable to match house color or trim
- Micro Irrigation Accessories
- 100% Satisfaction Guarantee!

*Your Flower Framers system can be easily added to as your needs and garden grow.*
